LWPTA Special Needs Committee would like your Support to help bring American Sign Language to our High Schools

Foreign Language requirements are changing in LWSD. The district is looking into new foreign language options to help the 30% of students who would not otherwise take a foreign language. There is a movement to add American Sign Language. Want to support this movement? Attend the January 9th school board meeting at the [LWSD Resource Center](#) (Redmond Town Center) to show your support. Questions? Contact carolineritz@comcast.net
